

Conference Announcements

XIX INQUA 2015

NAGOYA, JAPAN

27 July—2 August, 2015

The next INQUA congress will be held in Nagoya on 27 July - 2 August, 2015. We hope many of the LED participants will not miss this opportunity to visit Japan. Our OSL-ESR session has been approved including other methods such as with cosmogenic nuclei. Please visit the web site
